Practical Course: BPCL007: Practical in Psychological Testing:

Activity	Do the following practical work	Prepare response / answer for the following
ACTIVITY-1: Cattell's 16 P.F;	<p>Visit the Link: https://openpsychometrics.org/tests/16PF.php This link is related to the Personality test based on Raymond B. Cattell's personality theory. It is for personal use only. The test can be administered first on self and then on one of the family members/acquaintance/friends/ neighbor/colleagues. Self-administration is for your practice and to get acquainted with the test. While administering on self, you need to read the instructions carefully as mentioned in the test. When you administer the test on someone else, remember first to establish rapport and communicate that the responses will be kept confidential. Instructions will be given to the participant as mentioned in the test. The scores will be interpreted as per the norms indicated against the test.</p>	<p>Once the test is completed, prepare a report based on the test administration. The report needs to be hand-written (or) typed in word document. The test administered needs to be enclosed in the document. Follow the format for report preparation as has been mentioned in the Handbook. You may adapt to the present context wherever it is required, but overall refer to the format in the handbook (sequence to be followed).</p>
ACTIVITY-2: Letter Memorization Test	<p>Visit the link https://sites.google.com/site/whydontstudentslikeschoolbook/inter-active-activities/lettermemorization-test Visit the above link that will take you to the letter memorization test. There are two tests that you have to attempt.</p>	<p>Once the test is completed, prepare a report based on the test administration. The report needs to be hand-written (or) typed in word document. The test administered needs to be enclosed in the document. Follow the format for report preparation as has been mentioned in the Handbook. You may adapt to the present context wherever it is required, but overall refer to the format in the handbook (sequence to be followed).</p>
ACTIVITY-3: Piaget's Mountain Task	<p>https://www.youtube.com/watch?v=v4oYOjVDgo0 (University of Minnesota and the Science Museum of Minnesota, funded by the National Science Foundation). Watch the above link for the video that shows 'Three Mountain Task' developed by Jean Piaget and answer the following:</p> <ol style="list-style-type: none"> a) What does the activity 'Three Mountain Task' determines in children? b) How does play impact cognitive development in children? c) What are the key takeaways from Piaget's concepts of cognitive development from an infant to adult thinking? 	<p>You must write out the answers for: (a) What does the activity 'Three Mountain Task' determines in children? (b) How does play impact cognitive development in children? (c) What are the key takeaways from Piaget's concepts of cognitive development from an infant to adult thinking?</p>
<p>Write a separate section on 'Reference' if you have referred to extra reference material (both online and offline) for the activities/tests. This can be a section after each activity or you may also combine all the references and mention it in the end of the file. The references will be written in APA format (7th Ed.)</p>		
<p>Internal Evaluation: Practical Report: 50 Marks: Based on the practical report, organized way of presenting the content, and overall understanding of the test/activity as reflected in the report</p>		
<p>External Evaluation: Viva Voce: 50 Marks: Based on the viva-voce conducted by the External Examiner as a Term End Examination</p>		
<p>Date and time of Viva-Voce will be intimated to students separately, since it will be conducted batch-wise in the month of April (last week) & May (first week)</p>
