

Dear Sir/Madam,

After the recommendation of Director EMPC and approval of the competent authority, EMPC has created the EMPC-IGNOU YouTube Channel. This will increase the reach of IGNOU learners towards **IGNOU's educational video content for ODL programmes** and also help learners to receive the content of their choice at the place and time of their convenience. This will also help in increasing the immediate visibility of EMPCs productions (Syllabus/Course based/ Enrichment and other institutional Video Programmes). For this the following points are humbly submitted:

1. We are providing/ enclosing the links of different disciplines with their school names.
2. Serial no.1 contains the main playlists link of All the disciplines/school/centres etc.: if you click this link the main page of the EMPC-IGNOU YouTube PLAYLIST with all the playlists will open and from here you can search for your choice of disciplines/schools/centres playlist.
3. The serial no. 2 to 40 contains individual disciplines playlist links: here links for individual disciplines are provided from where you can go directly to your discipline playlist links without opening the main page of all the playlists.
4. All the PLAYLISTS are Dynamic in nature and as soon as any new video is uploaded it will automatically add in the related discipline playlist and there is no need for any new link.
5. As of today, i.e., on 18th Feb. 2022 more than 340 Educational Video programmes for IGNOU's ODL programmes of different disciplines and schools have been uploaded. Uploading of video programmes is a continuous process and the number of video programmes will increase day by day.

If approved, it is requested that the director EMPC may forward this email to the director, RSD with a kind request to circulate these links to all the directors of regional centers/ LSCs/Study Centres and all other stakeholders. The regional directors, the heads of all the learner support centres and different study centres may like to **provide these individual links to learners through Mobile nos. and E-mail ids at the time of enrolment** so that the learners can start viewing these programmes from the day 1 of their enrolment.

Submitted for approval Please.
