

REGIONAL CENTRE, PUNE

Programme Code: MAPC (Master of Arts in Psychology)

Practical Course: MPCL007: Practicum in Experimental Psychology & Psychological Testing:

Also see the link for detailed guidelines given by Faculty of IGNOU, New Delhi:

[http://www.ignou.ac.in/userfiles/MPCL%20007%20Guidelines%20for%20Online%20Practical%20Conductions%20\(1\).pdf](http://www.ignou.ac.in/userfiles/MPCL%20007%20Guidelines%20for%20Online%20Practical%20Conductions%20(1).pdf)

- 1) You must have received the Practical Handbook (MPCL 007) by now; if not then you may access the softcopy from <http://egyankosh.ac.in/bitstream/123456789/20981/5/PG-MPCL-007.pdf>.
- 2) Read the Handbook carefully to develop an overview about psychological testing and experiments. Since lab work is not possible in the present pandemic crisis (COVID 19);
- 3) The faculty of Discipline of Psychology, IGNOU, New Delhi, have listed 6-activities to be carried out by you and report to be prepared for submission;
- 4) To guide the student, individual Academic Counsellors and face-to-face guidance cannot be provided during COVID 19, hence ONLINE counselling sessions are arranged;
- 5) Go through the activities before attending the ONLINE counselling sessions. Only brief discussion & explanation on each activity will be provided by the Academic Counsellors; and all the students are requested to concentrate & listen to the ONLINE counselling Sessions carefully;

REGIONAL CENTRE, PUNE

Programme Code: MAPC (Master of Arts in Psychology)

Practical Course: MPCL007: Practicum in Experimental Psychology & Psychological Testing:

Activity	Do the following practical work	Prepare response / answer for the following
ACTIVITY-1: Social Learning Theory and Social Cognitive Theory;	Visit the link , & read the self-learning material and answer the questions: https://www.youtube.com/watch?v=Z0iWpSNu3NU	(a) Difference between Social Learning Theory and Social Cognitive Theory; (b) Applications of Social Learning Theory; (c) Based on the theory and its application, do you think violence is contagious?
ACTIVITY-2: Theories of Intelligence	Visit the link from Howard Gardner's blog, (Dated 1st September, 2020): https://www.multipleintelligencesoasis.org/blog/2020/9/1/67pmqk1mg1uzre4qlcxtz6pbl3ayj	Read the different theories of intelligence as well as the Sternberg's article and write your interpretation about what true intelligence is.
ACTIVITY-3: Interview an older adult	Interview an older adult (telephonically or in person); you may ask any relevant questions including: 1. Process of ageing; 2. Family profile (parents, siblings, education, etc.); 3. Thoughts on ageing & change over the years; 4. Has the participant able to promote one's wellness? 5. View on healthcare, coping with physical & psychological challenges; 6. Any specific stereotypes towards old age.	Record the interview (with permission), and thematically analyze the interview responses.
ACTIVITY-4: Locus of Control;	Visit the link Locus of Control (uaex.edu) and follow the steps & complete the self-administered scale on locus of control. The test can be administered first on self and then on one of the family members/acquaintance/friends/ neighbor/colleagues. Self-administration is for your practice and to get acquainted with the test. While administering on self, you need to read the instructions carefully as mentioned in the test. When you administer the test on someone else, remember first to establish rapport and communicate that the responses will be kept confidential. Instructions will be given to the participant as mentioned in the test. The scores will be interpreted as per the norms indicated against the test.	Once the test is completed, prepare a report based on the test administration. The report needs to be hand-written (or) typed in word document. The test administered needs to be enclosed in the document. Follow the format for report preparation as has been mentioned in the Handbook. You may adapt to the present context wherever it is required, but overall refer to the format in the handbook (sequence to be followed).
ACTIVITY-5: Cattell's 16 P.F;	Visit the Link: https://openpsychometrics.org/tests/16PF.php This link is related to the Personality test based on Raymond B. Cattell's personality theory. It is for personal use only. The test can be administered first on self and then on one of the family members/acquaintance/friends/ neighbor/colleagues. Self-administration is for your practice and to get acquainted with the test. While administering on self, you need to read the instructions carefully as mentioned in the test. When you administer the test on someone else, remember first to establish rapport and communicate that the responses will be kept confidential. Instructions will be given to the participant as mentioned in the test. The scores will be interpreted as per the norms indicated against the test.	Once the test is completed, prepare a report based on the test administration. The report needs to be hand-written (or) typed in word document. The test administered needs to be enclosed in the document. Follow the format for report preparation as has been mentioned in the Handbook. You may adapt to the present context wherever it is required, but overall refer to the format in the handbook (sequence to be followed).
ACTIVITY-6: 'halo effect' Experiment	Watch the link on 'halo effect' experiment conducted by Nisbett and Wilson (1977): https://deepblue.lib.umich.edu/bitstream/handle/2027.42/92158/TheHaloEffect.pdf	In the light of the, answer the following: 1. The key takeaways from the main experiment. 2. How is halo effect being used to one's advantage? 3. Find the application and common uses of halo effect. 4. Is there any relationship between learned behaviour and halo effect?
Write a separate section on 'Reference' if you have referred to extra reference material (both online and offline) for the activities/tests. This can be a section after each activity or you may also combine all the references and mention it in the end of the file. The references will be written in APA format (7th Ed.)		
Internal Evaluation: Practical Report: 50 Marks: Based on the practical report, organized way of presenting the content, and overall understanding of the test/activity as reflected in the report.		
External Evaluation: Viva Voce: 50 Marks : Based on the viva-voce conducted by the External Examiner as a Term End Examination.		
Date and time of Vivo-Voce will be intimated to students separately, since it will be conducted batch-wise in the month of April (last week) & May (first week)		
Students of 1-year Admitted under January-2020 and Before will be considered for Evaluation under DEC-2020 Exam Session for uploading the Practical Marks		
Students of 1-year Admitted under July-2020 will be considered for Evaluation under June-2021 Exam Session for uploading the Practical Marks
