However the centralized theory counselling sessions arranged by HQrs will be informed to the respective learners as and when it's conducted by HQrs.

In view of the above, students are advised to follow the University website, Face book & Gyan darshan channel, YouTube and the schedules of other Regional Centers to have the

benefit of theory counselling and prepare for the Term end Examination on their own for theory part.

However Regional Centre Pune will prepare the schedule for the practical courses and the same will be informed to the concerned learners. Practical schedule will be placed on the IGNOU Regional Center website [rcpune.ignou.ac.in](http://rcpune.ignou.ac.in) and will be informed to each learner through email & SMS.

With Best wishes,

Yours faithfully

(D. R. Sharma) 10/1/22
